**Pennsylvania Scrambles to Budget Stimulus Projects**

*(The Philadelphia Inquirer)* Two months after passage of the federal stimulus package, Pennsylvania is well into the task of allocating \$9.4 billion under state and local control, but the Dept. of Transportation has committed only \$73 million of the agency's \$1-billion share. [Read it](#)

**Ohio Taps Stimulus Funds for Water, Sewer Work**

*(Akron Beacon Journal)* The Ohio Environmental Protection Agency released plans to use nearly \$1.1 federal stimulus funds and state low-interest loans for drinking-water and sewer projects. [Read it](#)
